REGISTRATION FOR PROFESSIONAL ENGINEERS**

WV PE BOARD

IN RE: SKYBORNE TECHNOLOGIES, INC.

C2021-01

CONSENT ORDER

Comes now the West Virginia State Board of Registration for Professional Engineers by Bhajan S. Saluja, P.E., its President, (hereinafter "the Board") for the purpose of agreeing to resolve a Board-initiated Complaint seeking disciplinary action against SkyBorne Technologies, Inc. ("Respondent Firm"). As reflected in this document, the parties have reached an agreement concerning the proper disposition of this matter, and the Board, upon approval of this agreement, does hereby **FIND** the following:

1. The matters set forth herein are within the jurisdiction of the Board, which is the state entity with the power and duty to regulate the practice of engineering in the State of West Virginia.
2. Respondent Firm is a corporation organized under the laws of the State of Massachusetts with its principal place of business in Westford, Massachusetts.
3. On or about February 4, 2020, Respondent Firm allegedly offered engineering services and practiced engineering in the State of West Virginia by submitting engineered design drawing for a project in the State of West Virginia.
4. Respondent Firm, at the time of the alleged offer and practice of engineering, did not hold a Certificate of Authorization (hereinafter "COA"), nor has it ever held a COA.
5. State law requires a provider of engineering services to possess an active COA in order to practice engineering or to offer to practice engineering in West Virginia.

6. The Board received information that on or about February 4, 2020, Respondent Firm had offered to provide and did provide an engineered design drawing for a project located in Buckhannon, Upshur County, West Virginia.
7. These facts resulted in a Board-initiated investigation, in which Respondent Firm confirmed that in February 2020, it had provided an engineered design drawing for a project located in West Virginia.
8. The Board initiated Complaint Number C2021-01 at its regular meeting on September 22, 2020, which was received and filed by the Board on said date.
9. The Board and Respondent Firm have agreed to settle this matter in lieu of Respondent Firm filing a formal Response.
10. Respondent Firm admits that it provided engineering services in West Virginia without a COA. The Respondent Firm also provided additional information that the work was for an existing client, and that it was contacted by an agent of said client to perform said engineering work.
11. As to Respondent Firm's alleged violation of offering engineering services without a COA, the charge is dismissed by agreement, based upon Respondent Firm's representation that the engineering work was performed for an existing client, and whose agent had contacted Respondent Firm to perform the engineering work for the West Virginia project.
12. The Board has taken into account the following factors in reaching this settlement: the violation did not pose harm to the public; and Respondent Firm has cooperated in the resolution of this Complaint.
13. The Board, in its discretion, will not assess administrative costs although it is within its power to assess such costs and administrative costs were incurred in the investigation, initiation and resolution of this complaint.

20. It is unlawful for any firm to practice or offer to practice engineering, as defined by West Virginia Code §30-13-3(e), in the State of West Virginia unless that firm has obtained a COA under the provisions of West Virginia engineering law. W. Va. Code §30-13-17.
21. Practicing engineering, or offering to practice engineering as defined by W. Va. Code §30-13-3(e), without a valid COA is an action that may subject a firm to discipline by the

Board, including a civil penalty up to Five Thousand Dollars (\$5,000.00) for each offense.

W. Va. Code R. §7-1-15.4.
24. The assessment of administrative costs is within the Board's sole discretion. W. Va. Code §30-13-21(d)(4) and W. Va. Code R. §7-1-14.4.

27. Respondent Firm accepts the findings set forth above and consents to the entry of this Consent Order, knowingly, freely and voluntarily, and not under duress, restraint or compulsion, and after having time in which to confer with their counsel.
28. Respondent Firm acknowledges that this Consent Order is being executed for the purpose of avoiding further administrative action with respect to the above-styled matter. In this regard, Respondent Firm authorizes the Board to review and examine all investigative file materials concerning Respondent Firm's activities in West Virginia in consideration of this Consent Order.

32. Respondent Firm understands that the Complaint and this Consent Order are public records which, together with other public documents in the file, must be made available upon legal request in accordance with the State's Freedom of Information Act.

35. Respondent Firm acknowledges that proof of any material misstatement or misrepresentation made in connection with this matter will result in the rescission of this agreement, the reinstatement of the Complaint, the summary revocation, non-renewal or non-reinstatement of any Certificate of Authorization issued to Respondent Firm by the Board, and the addition of any other charges which may arise or ensue from providing false information to the Board in violation of West Virginia engineering law.

ORDER

Said revoked COA may be restored once the civil penalty is paid, and Respondent Firm pays the appropriate fees, and is otherwise in good standing with the Board. West Virginia Code § 30-13-21(d)(1).
8. This Consent Order may be summarily enforced in the Circuit Court of Kanawha County, West Virginia, without further notice to Respondent Firm upon application by the Board for the entry of a Judgment Order for the total amount of payment agreed to herein of Two Hundred and Fifty Dollars (\$250.00), together with pre-judgment interest from the date of the Board President's signature hereon, post-judgment interest from the date of entry of the Judgment Order, and all costs of any enforcement action(s), which judgment shall be fully executable in accordance with applicable law.

10. This Consent Order constitutes a full and final settlement of this matter, and nothing in this Consent Order or the circumstances giving rise to the same may be the subject of any appeal

or other civil or administrative actions except an action by the Board to enforce the terms of this Consent Order. This shall not prohibit the Board from considering this disciplinary action or the circumstances giving rise to the same with regard to any future disciplinary matter involving Respondent Firm which may come before this Board.
