WV CODE 30-13-17. Certificates of authorization required; naming of engineering firms.

- (a) No person or firm is authorized to practice or offer to practice engineering in this state until the person or firm has been issued a certificate of authorization by the board.
- (b) A person or firm desiring a certificate of authorization must file all the required information with the board on an application form specified by the board. The required information shall include the sworn statement of the engineer in responsible charge who is a professional engineer registered in this state. The board shall issue a certificate of authorization to an applicant who has met all the requirements and paid the fees set forth in board rules.
- (c) No person or firm is relieved of responsibility for the conduct or acts of its agents, employees, officers or partners due to compliance with the provisions of this article. No individual practicing engineering under the provisions of this article is relieved of responsibility for engineering services performed due to his or her employment or other relationship with a person or firm holding a certificate of authorization.
- (d) An engineer who renders occasional, part-time or contract engineering services to or for a firm may not be designated as being in responsible charge for the professional activities of the firm unless that engineer is an owner or principal of the firm.
- (e) The Secretary of State shall not issue a certificate of authority or business registration or license to an applicant whose business includes, among the objectives for which it is established, the words engineer, engineering or any modification or derivation thereof unless the board of registration for this profession has issued to the applicant a certificate of authorization or a letter indicating eligibility to receive the certificate. The certificate or letter from the board shall be filed with the application filed with the Secretary of State to do business in West Virginia.
- (f) The Secretary of State shall decline to register a trade name or service mark which includes the words engineer, engineering or modifications or derivatives thereof in its business name or logotype except those businesses holding a certificate of authorization issued under the provisions of this article.
- (g) The certificate of authorization may be renewed in accordance with board rule upon payment of the required renewal fee.
- (h) Every holder of a certificate of authorization has a duty to notify the board promptly of any change in information previously submitted to the board in an application for a certificate of authorization.

AFFIDAVIT

It is hereby stipulated that the firm agrees to remain in good standing with all State agencies and departments as of the date of this application. If applicable, the Corporation Department in the office of the West Virginia Secretary of State shall be contacted immediately upon receipt of the Certificate of Authorization granted by the WV Board of Registration for Professional Engineers. It is recognized that failure to contact the WV Secretary of State's office, or failure to remain in good standing with them or any other state agency or department, will result in the possible revocation of the COA granted by this Board.

IN WITNESS WHEREOF, the corporation has caused its corporate name and seal (if applicable) to be hereunto affixed by its President and attested to by its Secretary this _____ day of _____, 20_____.
