BEFORE THE WEST VIRGINIA STATE BOARD OF 
REGISTRATION FOR PROFESSIONAL ENGINEERS

IN RE: HAROLD P. MCCUTCHEON

CONSENT ORDER

Comes now the West Virginia State Board of Registration for Professional Engineers by Bhajan S. Saluja, P.E., its President, (hereinafter “the Board”) for the purpose of agreeing to resolve a Complaint seeking disciplinary action against Harold P. McCutcheon (hereinafter “Respondent”). As reflected in this document, the parties have reached an agreement concerning the proper disposition of this matter, and the Board, upon approval of this agreement, does hereby

FIND the following:

1. The matters set forth herein are within the jurisdiction of the Board, which is the state entity with the power and duty to regulate the practice of engineering in the State of West Virginia.

2. Respondent is a licensed professional engineer in West Virginia, and in other states. His WV P.E. License number is No. 13364.

3. On or about December 31, 2018, Respondent utilized the Board’s online renewal application portal to renew his West Virginia P.E. license for the next renewal period of January 1, 2019 to December 31, 2020. Respondent’s initial WV licensure was on 05/29/1997.

4. In his application for renewal, Respondent answered “No” to the question (“Question”), “Have you been subject to any disciplinary action or any investigation by any local, state or national regulatory board (including those in WV) or have you been convicted of a misdemeanor or felony since your last WV PE renewal?”

5. As a result of his input of his responses to the on-line renewal application, Respondent’s WV P.E. license was renewed for the period of January 1, 2019 to December 31, 2020.
6. Subsequent to Respondent’s renewal of his WV P.E. license, the Board became aware of a Colorado State Board of Licensure for Architects, Professional Engineers and Professional Land Surveyors’ (CSB’s) disciplinary action against Respondent in Case No. 2017-442. This Colorado action was resolved through a Stipulation and Final Agency Order (Order) entered on April 17, 2017.

8. It was further learned that the CSB Order referenced a 2010 disciplinary action before the Ohio State Board of Registration for Professional Engineers and Surveyors (OSB) against Respondent in Case No. 2010-014. This Ohio action was resolved through a Settlement Agreement entered June 9, 2010.

9. As a result of discovering the OSB disciplinary action, it was determined that Respondent on his West Virginia 2010-2011 Annual Renewal Professional Engineer-WV application, dated June 30, 2010, answered “No,” to the question, “Have you been subject to disciplinary action or any investigation by any local, state, or national regulatory board (including those in WV) or have you been convicted of a misdemeanor or felony since your last WV PE renewal?”

10. Prior to December, 31, 2018, Respondent did not disclose the OSB disciplinary action on any of his previous PE renewals. However, the OSB disciplinary action was disclosed by the Firm on its January 11, 2018 application for the renewal of its Certificate of Authorization (COA), January 1, 2018 – December 31, 2019, in that Respondent was listed as its WV Engineer in Responsible Charge. The Firm did not disclose the CSB disciplinary action on this COA renewal application.

11. The aforesaid acts resulted in a Board-initiated investigation, which was the basis of this Board’s Complaint which set forth the allegations that Respondent had been disciplined by the Ohio and Colorado State Boards, and by answering “No” to the aforesaid Questions, Respondent had, or attempted to, perpetrate fraud and deceit in renewing his P.E. license.
12. The Board initiated Complaint Number C2019-26 at its regular meeting on May 29, 2019, which was filed and served on June 3, 2019.

13. On July 9, 2019, Respondent's Response, dated July 3, 2019, was received by the Board. For purposes of this Consent Order, the Response will be deemed timely.

14. Respondent and the Board agreed to settle this matter, Respondent would forego his right to an administrative hearing and his right to appeal, and the Board will proceed against Respondent on the charge of providing misinformation to the Board.

15. By agreement of the parties, the violation alleged in the Complaint is reduced herein to one count of providing misinformation to the Board, and the Board finds no attempt to perpetrate fraud and deceit in renewing his P.E. license.

16. For purposes of this Consent Order, Respondent admits his answer of “No,” to the aforesaid December 31, 2018 on-line, renewal application Question was a misrepresentation of the truth on Respondent’s on-line renewal application for his WV P.E. license, and such act constitutes providing false or misinformation to the Board in order to renew his WV P.E. license, in violation of W.Va. Code §30-13-21(a)(12).

17. The Board has considered the following factors in reaching this settlement: there was no risk of harm to the public; the violations did not pose harm to the public; Respondent was in good standing with the Board prior to the initiation of this Complaint; and Respondent cooperated in the resolution of this Complaint.

18. The Board, in its discretion, will not assess administrative costs although it is within its power to assess such costs and administrative costs were incurred in the investigation, initiation and resolution of this complaint.
CONCLUSIONS OF LAW

20. Harold P. McCutcheon, Respondent, has the power and authority to make admissions, and otherwise act on his own behalf, and he makes such admissions, knowingly, freely, voluntarily, and without any threat of harm or act of coercion. Further, Respondent acknowledges his right to consult an attorney of his choosing, at his sole expense, and he knowingly, freely, voluntarily, and without any threat of harm or act of coercion waives his right to consult counsel, and will proceed pro se.

21. It is unlawful for any person to provide false testimony or information to the Board, in violation of the provisions of West Virginia engineering law. W. Va. Code §30-13-21(a)(12).

23. The Board may suspend or revoke or refuse to issue, restore or renew a Certificate of Registration, or place on probation, impose a civil penalty or reprimand any professional engineer who has failed to comply with any of the provisions of this article or any of the rules promulgated under it. W. Va. Code §30-13-21(a)(4).

24. The Board is authorized to “assess civil penalties against any person who violates any provision of this article or any rule promulgated by the Board for each offense in an amount determined by the Board.” W. Va. Code §30-13-21(b); see also W. Va. Code §30-13-21(d)(4), and W.Va. Code R. §7-1-15.

25. In determining the amount of a civil penalty to be assessed, the Board may consider such factors as the circumstances leading to the violation; the nature and severity of the violation
and the risk of harm to the public; the extent to which the cited person or firm has cooperated with the Board and the Board’s investigation; and other matters as may be appropriate. W. Va. Code R. §7-1-15.4.
