IN RE: Earl F. McKinney                                CASE NO. C2006-01

FINAL OPINION AND ORDER

Pursuant to a hearing held before the West Virginia State Board of Registration for Professional Engineers, Leonard J. Timms, P.E., presiding, on the 8th day of May, 2006, the Board hereby makes the following Findings of Fact and Conclusions of Law:

1. The hearing on Complaint 2006-1 was duly noticed on April 6, 2006. Exhibit 1.

2. Respondent was served with this Complaint by certified mail dated January 30, 2006. Exhibit 2.

3. Respondent never responded to the Complaint except for the communication from his counsel upon receipt of the Notice of Hearing. Exhibit 7.

4. Upon receipt of the communication from Respondent’s counsel, Counsel for the Board, Debra L. Hamilton, attempted to informally resolve this matter. Exhibit 8.

5. Neither Respondent nor his counsel communicated with this Board or its Counsel after the communication of April 11, 2006 (Exhibit 7).

6. Respondent did not attend the hearing, did not request a hearing or any continuance of the hearing, and did not provide any information regarding his failure to attend.

7. Respondent's failure to attend the hearing was without good cause.

8. Complaint 2006-01 is based primarily on disciplinary action taken by the Kentucky State Board of Licensure and Land Surveyors (KBELS) which resulted in the
revocation of Mr. McKinney’s professional engineering license in the State of Kentucky (Exhibit 3, Final Order) and the imposition of a fine in the amount of $1,000.00 (Exhibit 3, Findings of Fact, Conclusions of Law, and Recommended Order, Section IV., ¶ 2).

9. Exhibit 3 is a final adjudication since Respondent availed himself of all avenues of appeal up to the Supreme Court of the State of Kentucky, and KBELS’ action was affirmed throughout the appellate process. Exhibits 4-6.

10. The charges which were proven against Respondent McKinney, as set forth in Exhibit 3, Part III. Conclusions of Law, Part C, ¶ 31 and as testified to by Robert W. Fentress, PLS, Assistant Director of KBELS, are the same or substantially equivalent to grounds for discipline under West Virginia Engineering law (W. Va. Code §30-13-1 et seq.).

12. Respondent McKinney did not notify this Board of KBEL’s disciplinary action.

13. Based on materials provided by Deputy Director Fentress to the Board’s investigator, Don Johnson, a list was compiled of some of the engineering work performed by Respondent McKinney in the State of West Virginia. Exhibit 9.

14. Respondent McKinney used the seal reflecting his P.E. license on a Certificate of Compliance, which certificate indicates the signature of an. Exhibit 2 (Attachment to Complaint).

15. The Board finds there is insufficient evidence regarding the Certificate of Compliance to make any finding regarding whether Respondent misused his professional seal on that document, but, inasmuch as the Certificate is dated
September 7, 1999, the Board finds that Respondent has performed engineering work in the State of West Virginia in addition to the work listed in Exhibit 9.

16. There is a preponderance of evidence that Respondent failed to provide information on work performed in West Virginia despite this Board’s requests for additional information.

17. The extent to which Respondent has violated West Virginia engineering law cannot be proved at this time due to Respondent’s failure to provide requested information to this Board.

CONCLUSIONS OF LAW

18. The Board is a state entity created by West Virginia Code §30-13-1 et seq. and is empowered to regulate the practice of professional engineering pursuant to West Virginia Code §30-13-1 et seq.

19. West Virginia Code §30-13-22 (c) authorizes the Board to proceed with a hearing without the attendance of respondent.

20. Under the Board’s procedural rules with regard to reciprocal discipline, a final adjudication in the jurisdiction of another state conclusively establishes the conduct of the person disciplined and requires the person so disciplined to notify the West Virginia Board of Registration for Professional Engineers. 7 C.S.R. 2-4.7.

21. West Virginia Code §30-13-21(a)(5) authorizes this Board to take disciplinary action against any professional engineer who has been disciplined by another state if at least one of the grounds for discipline is the same or substantially equivalent to grounds for discipline contained in W. Va. Code §30-13-1 et seq.
22. West Virginia Code §30-13-21(a)(1) allows disciplinary action against any professional engineer who has "(p)erpetrated any fraud or deceit in obtaining or attempting to obtain or renew" his license, which are grounds substantially equivalent to the grounds set forth in KBEL's Charges 1, 2 and 4 proven against Respondent McKinney.

23. West Virginia Code §30-13-21(a)(10) prohibiting the use of a professional engineer's seal unless the work has "been prepared or completely checked by the professional engineer or under ... (his) direct supervision or control" are grounds substantially equivalent to the grounds set forth in KBEL's Charges 5 and 9 proven against Respondent McKinney.

24. The statutory and regulatory violations in Kentucky's Code of Professional Practice and Conduct are the same as or substantially equivalent to those contained in West Virginia's Rules of Professional Responsibility. 7 CSR 1-12.

25. Among its other powers, the Board has the power to levy fines and assess costs. W. Va. Code §30-13-21(d)(4) and 7 CSR 1-15.

26. Fraud or deceit is an action which would subject a person to discipline by the Board, including license revocation and a civil penalty up to $15,000. 7 CSR 1-15.1.

27. Misuse of a seal is an action that would subject a person to discipline by the Board, including license revocation and a civil penalty up to $5,000.00. 7 CSR 1-15.1.

28. Failure to provide timely information to the Board is an action that would subject a person to discipline by the Board, including license revocation and a civil penalty up to $1,000.00. 7 CSR 1-15.1.

29. Each day of continued violation constitutes a separate offense. 7 CSR 1-15.3.
30. Any civil penalty assessed as a result of a hearing must be paid within fifty (50) days of this Order. W. Va. Code §30-13-22(f).

31. This Final Opinion and Order is a matter of public record.

32. Orders of the Board may be enforced in the Circuit Court of Kanawha County. Code §30-13-9 (c) and 7 C.S.R. 2-5.2.
