BEFORE THE WEST VIRGINIA STATE BOARD
OF REGISTRATION FOR PROFESSIONAL ENGINEERS

IN RE: ROBERT A. WALZ

C2009-21

CONSENT ORDER

Comes now the West Virginia State Board of Registration for Professional Engineers by Leonard J. Timms, P.E., its president, (hereinafter the “Board”) for the purpose of agreeing to disciplinary action to be taken against Robert A. Walz (hereinafter “Respondent”). As reflected in this document, the parties have reached an agreement concerning the proper disposition of this matter, and the Board, upon approval of such agreement, does hereby FIND the following:

1. The Board is a state entity created by West Virginia Code § 30-13-1 et seq. and is empowered to regulate the practice of professional engineering pursuant to West Virginia Code § 30-13-1 et seq.

2. Respondent is a licensed professional engineer in the State of West Virginia holding license number 15052.

3. Respondent is also licensed in the State of North Carolina possessing license number 014781.

4. On or about February 22, 2008, Respondent was sent a “Notice of Contemplated Board Action” thereby notifying him that the North Carolina Board of Examiners for Engineers and Surveyors had sufficient evidence to support a charge of gross negligence, incompetence or misconduct.

5. On September 11, 2008, the North Carolina Board of Examiners for Engineers and
Surveyors entered a Decision and Order acknowledging that Respondent had accepted the recommendation of the “Settlement Conference Committee” imposing the following discipline: a reprimand, a civil penalty of Five Thousand Dollars ($5,000.00) and successful completion of an ethics course.

6. When applying for his 2008 renewal, Respondent submitted to the Board that he had not been the subject of any investigations or disciplinary actions in any other states and failed to disclose that he was the subject of an investigation for disciplinary violations in North Carolina.

7. On his 2009 renewal application, Respondent did report the aforementioned agreed disciplinary action resulting from the investigation by the North Carolina Board of Examiners for Engineers and Surveyors.

8. After receiving Respondent’s 2009 license renewal application, the Board Investigator made some inquiries to Respondent and the North Carolina Board of Examiners for Engineers and Surveyors regarding the circumstances warranting the disciplinary action that Respondent had reported on his renewal application.

9. During the course of investigating this matter, the Board Investigator uncovered that, while the Respondent did not receive formal disciplinary action against him until September 11, 2008, he had in fact been a subject of an investigation in North Carolina since at least 2007.

10. During a conversation with the Board Investigator, Respondent stated that he did
not report the investigation on his 2008 renewal application because there had been no disciplinary action taken at that time.

11. The Board Investigator informed the Respondent that the renewal form specifically asks "[h]ave you been subject to disciplinary action or investigation by another jurisdiction since your last WV PE renewal?" and that his answering "no" to that question, when Respondent had in fact been the subject of an investigation, on his 2008 renewal form would constitute a violation of the laws as it pertains to the practice of engineering in West Virginia.

12. It is within the Board’s power to assess administrative costs according to W.Va. Code R § 7-1-14.4.

13. Respondents have waived their right to a hearing on this matter and other rights set forth in W. Va. Code § 30-13-1 et seq. and the procedural rules of the Board.

CONCLUSION OF LAW

1. The Board is authorized to suspend or revoke or refuse to issue, restore or renew a license or impose a civil penalty upon any professional engineer who has provided misinformation to the Board. West Virginia Code § 30-13-21(a)(12).

2. Providing misinformation to the Board, to which Respondent has admitted herein, is an action that is subject to discipline by the Board, including a civil penalty up to Fifteen Thousand Dollars ($15,000.00). W. Va. Code R § 7-1-15.1.

3. The Board is authorized to assess civil penalties against any person who violates
any provision of this article or any rule promulgated by the board for each offense in an amount determined by the board. West Virginia Code § 30-13-21(b); see also W. Va. Code § 30-13-21(d)(4).
