Comes now the West Virginia State Board of Registration for Professional Engineers by Edward L. Robinson, P.E., its president (hereinafter “the Board”) for the purpose of agreeing to disciplinary action to be taken against Balzer & Associates, Inc. (hereinafter “Respondent Firm”). As reflected in this document, the parties have reached an agreement concerning the proper disposition of this matter, and the Board, upon approval of such agreement, does hereby FIND the following:

1. The Board is a state entity created by West Virginia Code § 30-13-1 et seq. and is empowered to regulate the practice of professional engineering pursuant to the same.

6. Respondent Firm completed projects in West Virginia while its Certificate of Service was lapsed.

7. At all relevant times, with regard to the allegations contained in this complaint, Respondent Firm did not have a valid Certificate of Authorization.

8. Respondent Firm is aware that providing services for engineering work to be done in the
State of West Virginia without a valid certificate of authorization constitutes a violation of the laws as they pertain to the practice of engineering.

10. At its regular meeting, the Board initiated complaint number C2010-23 which was filed on June 15, 2010.

11. Respondent Firm admits it provided engineering services for a project located in the State of West Virginia without a valid Certificate of Authorization in this State.

12. Respondent Firm’s prompt response in connection with this Complaint mitigates Respondent Firm’s culpability regarding the admitted violations of West Virginia engineering law; therefore, based upon the foregoing, the Board, in its discretion, will not assess administrative costs although the Board does find that it is within their power to assess such costs according to W.Va. Code R § 7-1-14.4.

13. Respondent Firm has waived its right to a hearing on this matter and other rights set forth in W. Va. Code § 30-13-1 et seq. and the procedural rules of the Board.

CONCLUSIONS OF LAW

2. The Board is authorized to “assess civil penalties against any person who violates any provision of this article or any rule promulgated by the board for each offense in an amount determined by the board.” West Virginia Code § 30-13-21(b); see also W. Va. Code § 30-13-21(d)(4).
3. Practicing or offering to practice engineering without a valid Certificate of Authorization, to which Respondent Firm has admitted herein, is an action that could subject a firm to discipline by the Board, including a civil penalty up to Five Thousand Dollars ($5000.00).
